

DLA 2017, June 7 – 10
DIGITAL LANDSCAPE ARCHITECTURE
Bernburg, Germany

CALL FOR PAPERS

18th International Conference Digital Landscape Architecture DLA 2017

A separate CALL FOR POSTERS will be launched in January 2017

The 18th annual International Conference on Information Technology in Landscape Architecture DLA 2017 will be held at Anhalt University in Bernburg, Germany, from June 7 - 10, 2017. We would like to invite you to contribute to this conference on all aspects of technologies in landscape architecture. Please submit "Extended Abstracts" (minimum of 1500 words, maximum eight pages text including key references and optional additional selected graphics) as pdf file online via the web-based submission system at

→ www.digital-la.de → DLA Conference 2017

or directly: <http://dla.loel.hs-anhalt.de/dla2017>

for review for full paper submission and possible inclusion in the program as presentation.

Accepted papers will be published as fully blind reviewed papers in

JoDLA – Journal of Digital Landscape Architecture, 2-2017

by Wichmann VDE Verlag, Berlin-Offenbach. Accepted papers will also be distributed as an open access article at <http://gispoint.de/gisopen.html>

Main Theme and Suggested Topics:

For the 18th DLA Conference, the Editors and the Board of Editors of the Journal of Digital Landscape Architecture cordially invite you to submit proposals for original, unpublished presentations focusing on the conference's main theme

Responsive Landscapes

or in one of the other following areas:

- 2) Mobile Devices for Geodesign
- 3) Geodesign and Smart Cities
- 4) Geodesign in Urban and Rural Regions for Tackling Climate Change
- 5) Point Clouds, Digital 3D Scanning and Fabrication in Landscape Design
- 6) Algorithmic Landscapes
- 7) Augmented and Virtual Reality in Landscape Architecture
- 8) Onsite Computational Design
- 9) Sharing and Connecting Landscape Information Online (Cloud Computing; Internet-of-Things)
- 10) Social Media in Landscape Design
- 11) Teaching Digital Landscape Architecture and Environmental Planning

JoDLA Journal of Digital Landscape Architecture · 2-2017

Important dates for the review process are:

Abstracts due:	October 15, 2016 (extended)
Notification of acceptance:	November 22, 2016 (extended)
Full manuscript draft due:	January 10, 2017 (extended)
Reviewed manuscript due:	February 20, 2017 (extended)
Conference:	June 7–10, 2017
Opening of Call for posters	April 1, 2017

Invited Keynote Speakers:

Bradley Cantrell, Harvard University, United States
Prof. Kelleann Foster, Penn State University, United States
Prof. Dr. Adrienne Grêt-Regamey, ETH Zürich, Switzerland
Prof. Dipl.-Ing. Antje Stokman, University of Stuttgart, Germany

Invited Session Chairs:

Dr. Stephen Ervin, Harvard University, United States
Pia Fricker, ETH Zürich, Switzerland
Prof. Dr. James Palmer, Vermont, United States
Dr. Sigrid Hehl-Lange, University of Sheffield, United Kingdom
Prof. Dr. Dana Tomlin, University of Pennsylvania, United States
Dr. Barty Warren-Kretzschmar, Utah State University, United States
Dr. Ulrike Wissen Hayek, ETH Zürich, Switzerland

The conference language is English. The DLA 2017 conference will be held at the Anhalt University in Bernburg, Germany

DLA Conference Scientific Director and Local Chair 2017: Prof. Erich Buhmann

The Journal of Digital Landscape Architecture addresses all aspects of digital technologies, applications, information, and knowledge bases in research, education, and practice pertaining to landscape architecture and related fields. The journal publishes original papers that address theoretical and practical issues, innovative developments, methods, applications, findings, and case studies that are drawn primarily from work presented at the annual international Digital Landscape Architecture conference. Its intent is to encourage the broad dissemination of these ideas, innovations, and practices.
